DBIT - EXTC SPECTRUM

DON BOSCO INSTITUTE OF TECHNOLOGY

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

To emerge as a globally recognized program for holistic technical education in the field of Electronics and Telecommunication Engineering.

M1: To produce technically competent, employable and socially responsible graduates with professional ethics.

M2: To facilitate creativity, research, innovation, teamwork and entrepreneur skills to meet academic, industrial and societal needs.

PROGRAMME EDUCATIONAL OBJECTIVES

- PE01:** To analyze, design and develop systems for applications in Electronics and Telecommunication and allied engineering fields with professional ethics.
- PE02:** To pursue higher education in recognized national and/or international universities and carry out research and development work in the field of Electronics and Telecommunication Engineering.
- PE03:** To get gainfully employed and/or become entrepreneurs in the field of Electronics and Telecommunication Engineering.

FROM THE HOD'S DESK

Warm greetings to yet another edition of “Spectrum”, an Annual Newsletter of Department of Electronics & Telecommunication Engineering.

Academic year 2021 - 2022 was the year of hope and positivity. While we hoped for normalcy and longed

to be back to college in 2021, year 2022 brought sunshine and put an end to the boredom of online classes. On St. Valentine’s Day, we welcomed our dear students in to the campus with decorations and sweets. Our students brought life back in to the department. Ever since, it was an action packed semester with major events such as, Colosseum: Annual Intercollegiate Technical Festival, Hysteria: Annual Sports & Cultural Festival, Convocation Ceremonies for two of the recent past batches, Fresher’s Party, Innovex: Annual Final Year Project Exhibition, Department Day and finally the Farewell Party along with academics, examinations and how can I forget the professional body activities & several others which are essential components of the department.

Despite all odds, the final year students exhibited their project prototypes at Innovex 2022 which were very well appreciated by the invitees from industry & academic fronts. I take this opportunity to thank our alumni and industry personnel, for their inputs & suggestions which have helped us raise the bar. Your efforts are deeply appreciated.

This year also marked 100 % placement of students who applied for campus recruitment. We are thankful to our industry associations who have given wonderful opportunities to our students. We are confident that our students will prove to be an asset to your organization.

On behalf of the department, I wish to sincerely thank our alumnus who sponsored Rs. 2,03,000/- to financially support four students. We respect their decision to remain to remain anonymous.

While we celebrated the post pandemic normalcy, we also mourned the loss of several of our dear and near ones during the pandemic months. Our prayers to the departed souls.

To summarize, the offline mode saw the students and teachers come together in resonance and the vibrancy in the department which was worth a watch.

Wish you a Healthy and Happy Life!!

-Dr. Ashwini Kotrashetti

FROM THE EDITOR'S DESK

I am once again very happy to present to you the 12th edition of our department newsletter DBIT-EXTC-Spectrum. As educators, our aim is to incorporate activities that help towards a holistic development of our students and ensuring that we put in our synergetic efforts towards the Vision and Mission of Don Bosco Institute of Technology so that our graduates are not only good engineers but also good human beings.

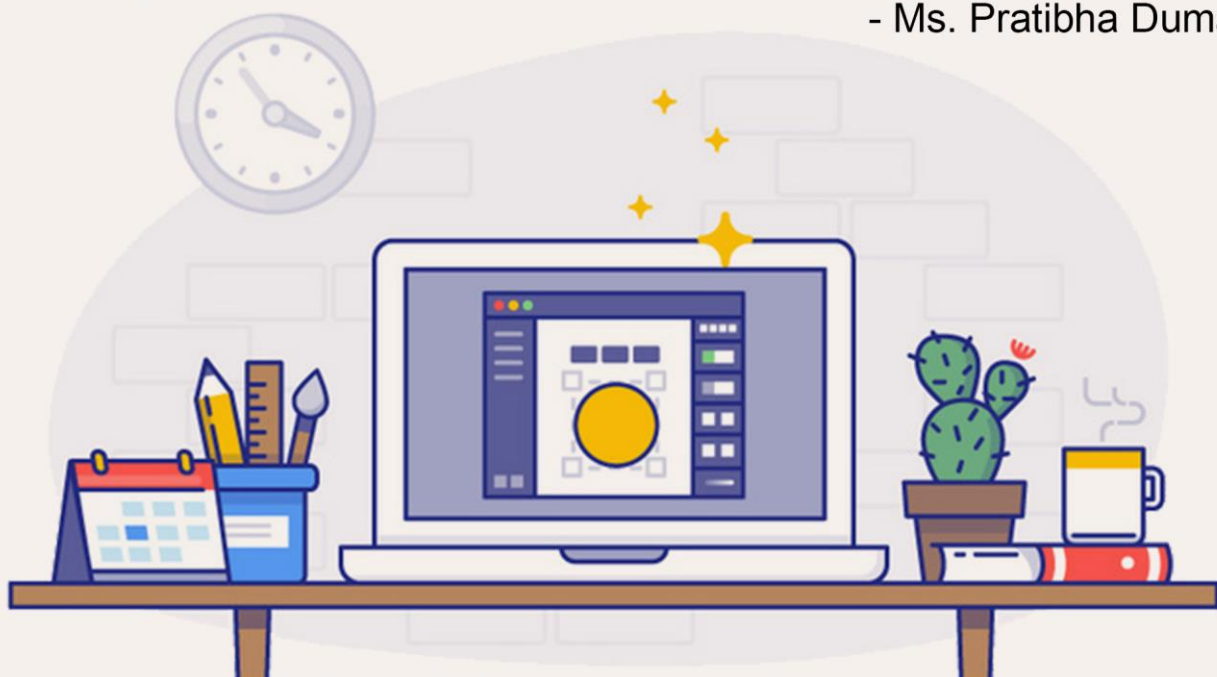

As you go through the pages, you will realize the enthusiasm & the spirit of the students and teachers, the laughter and the smiles, all leading to experiential learning while also cherishing the lovely moments - the spectrum - of yet another splendid year gone by. All thanks and credits go to the dedicated faculty members, staff, students and their team work.

Months of painstaking efforts have gone by in compiling this edition of our department newsletter and ensuring that it realistically presents the mosaic of all the activities, creative talent of our students and the teachers, and sharing the success and achievements with the readers. This newsletter is a medium for providing due acknowledgement and respect for everyone's efforts and their outcomes.

Special thanks to Mr. Immanuel Machado for help with this edition of the newsletter.

Enjoy Reading!

- Ms. Pratibha Dumane

FACULTY RECOGNITION

1. Dr. Ashwini Kotrashetti continued to be a reviewer for IETE Journal of Research.
2. Ms. Gejo George was appointed as a Reviewer for the 3rd IEEE Bombay Section Signature Conference (IBSSC-2021), an international conference organized by IEEE Bombay Section and ABV-IIITM Gwalior, India, November 18-20, 2021.
3. Mrs. Pratibha Dumane was appointed as the Primary Evaluator for TOYCATHON-2021, a Hackathon to crowdsource innovative ideas for Toys and Games based on Bharatiya history, civilization, ethos and culture organized by the Innovation Cell, Ministry of Education with support of AICTE, Ministry of Women and Child Development, Ministry of Textiles, Ministry of MSME, Ministry of Commerce and Industry, Ministry of Information and Broadcasting.
4. Mrs. Pratibha Dumane was appointed as a Reviewer for the 3rd International Conference on Information Management & Machine Intelligence (ICIMMI 2021) organized by Poornima Institute of Engineering & Technology, Jaipur, Rajasthan, India on December 23-24, 2021, with publication partner Springer Nature.

5. Mrs. Pratibha Dumane was appointed as a Judge for the Technical Writing Competition by the IETE Mumbai Centre as a part of the IETE Student's Day Celebrations during Oscillations 2K22.
6. Dr. Ashwini Kotrashetti served as Organizing Committee Member & Track Chair for the "Humanitarian and Social Impacts of Technologies" track for TENSYPMP 2022, IEEE Region 10 Symposium organized from 01- 03 July 2022 at IIT Bombay.
7. Dr. Ashwini Kotrashetti was invited as External Expert to interview candidates for the post of Research Scientist (Electronics & RF Engineering) on 19-20 April 2022 at SAMEER, Mumbai.

FACULTY ENGAGEMENTS WITH UNIVERSITY OF MUMBAI

1. Dr. Sudhakar Mande worked as Chairman of Syllabus Drafting Committee of the course "ECCDLO7011 Efficient Architectures for DSP Algorithms" of University of Mumbai R-2019 C -Scheme.
2. Dr. Sudhakar Mande worked as Chairman of Syllabus Drafting committee of the course "ECCDLO8011 System of Chip Design" of University of Mumbai R-2019 C -Scheme.
3. Ms. Pratibha Dumane was appointed as a Member of the University of Mumbai Syllabus Drafting Committee "ECC 604 Artificial Neural Networks & Fuzzy Logic", R-2019 C - Scheme. She also was an organizing team member for the Online Faculty Orientation Programme organized by Vivekanand Education Society's Institute of Technology, Mumbai on behalf of University of Mumbai on 15 January 2022 for the course.
4. Ms. Gejo George was appointed as a member of the Syllabus Drafting Committee for "ECCDLO8022 - Satellite and Nano Satellite Communication" for the R2019 C scheme.

5. Ms. Namita Agarwal was appointed as a Member of the University of Mumbai Syllabus Drafting Committee "ECC 602 Computer Communication Networks", R-2019 C - Scheme. She was also an organizing team for the Online Faculty Orientation Programme on behalf of University of Mumbai on January 14, 2022.
6. Mrs. Poonam Chakraborty was appointed as a member of the Syllabus Drafting Committee for "ECCDLOC 8023 Network & Management in Telecommunication" for the R2019 C scheme.

CERTIFICATIONS BY FACULTY MEMBERS

1. Dr. Sudhakar Mande completed the NPTEL courses on "Introduction to the Internet of Things" in December 2021.
"Hardware Modelling Using Verilog" with an Elite certificate in December 2021.
"C-Based VLSI Design" with an Elite certificate in December 2021.
2. Mrs. Pratibha Dumane completed Certificate Courses on "Advanced Neural Networks in R - A Practical Approach" by Udemy.
"Natural Language Processing Real-World Projects in Python" by Udemy.

INVITED TALKS BY FACULTY MEMBERS

1. Ms. Freda Carvalho & Mr. Tayyabali Sayyed, Faculty-IT Dept. conducted a hands-on training session on “Moodle” for Faculty Members of Holy Family Institute of Nursing Education, Kurla (W), Mumbai, on 05 & 07 July 2021.
2. Dr. Sudhakar Mande delivered a webinar on “Recent trends and Career Opportunities in Electronics & Telecommunication Engineering” at St. John Institute of Technology, Palghar, Thane in August 2021.. URL: <https://drive.google.com/drive/shared-with-me>
3. Dr. Sudhakar Mande delivered a webinar on “What is Final Year Engineering Project (FYEP)” to Final Year Engineering students at DBIT in August 2021.
URL: http://drive.google.com/drive/folders/1bZ01wVyYkKNLt-eanlu_Bbtj_eSIKu-E
4. Dr. Ashwini Kotrashetti delivered a talk on “Financial Planning, Sponsorships and Collaboration with IEEE MTT-S” at the 2021 R10-POCO Virtual Workshop on 21 August 2021.
5. Mrs. Poonam Chakraborty delivered a talk on “Passive Optical Networks” on 02 September 2021 for the final year EXTC students of Xavier Institute of Engineering, Mumbai.
6. Dr. Sudhakar Mande delivered a talk on “Overview of Memory and Storage Devices” at Fr. C. Rodrigues Institute of Technology, Vashi, Navi Mumbai in September 2021.
7. Mrs. Pratibha Dumane was invited to deliver a talk on “Becoming Future-Fit” during the Induction Programme for the first year students of Government Polytechnic, Pen, District Raigad, Maharashtra on 12 October 2021.

8. Dr. Sudhakar Mande delivered a webinar for parents and students of standard XII on “Electronics & Telecommunication Engineering: Scope & Opportunities” on 30 October 2021.
URL: <https://www.youtube.com/watch?v=fQHKXp8suWk>
9. Dr. Ashwini Kotrashetti delivered a talk on “Radar Sensors” at the 27th National Conference on Sensors in Automation organized on 19-20 November 2021.
10. Ms. Freda Carvalho and Mr. Tayyabali Sayyed, Faculty-IT Dept., conducted a hands-on training on “Moodle” for the teaching staff of Pillai College of Engineering, New Panvel on 26 January, 2022.
11. Dr. Sudhakar Mande delivered a talk on “Bloom's Taxonomy: Tool for Enhancing Quality of Engineering Education” on 01 April 2022 in the IQAC Talks Series organized by Oriental Institute of Sciences and Technology, Jabalpur.
12. Dr. Sudhakar Mande delivered a talk on “Bloom’s Taxonomy: Tool for Writing Quality Course Outcomes and to Establish Efficient CO-PO-PSO Correlation Matrix” during Faculty Development Programme at DBIT on 24 May 2022.
13. Mrs. Pratibha Dumane conducted a session on “Becoming Future Fit” under the Value Added Course organized for the first year students of DBIT on 21 & 28 April 2022.
14. Mrs. Gejo George conducted a session on “Effective Team-Work” under the Value Added Course organized for the First Year Students of DBIT on 13 & 19 May 2022.

STUDENTS ACHIEVEMENTS

1. Rakshita Khantwal, Sarika Galphade, Adarsh Rao secured the Second, Third and Consolation Prize in the Technical Writing Competition conducted by IETE-DBIT-ISF on behalf of IETE Mumbai Centre as part of the IETE Student’s Day Celebration on 01 February 2022.
2. Pratham Amare, Pratham Koturwar, Bhagyesh Manjrekar secured the First Prize in Technical Treasure Hunt Competition organized under Oscillations 2022.

3. Rohit Gupta, Kshitij Bare, Nitish Chavan secured the Second Prize in Technical Treasure Hunt Competition organized under Oscillations 2022.
4. Satyam Shukla, Jay Dulange, Leroy Rodrigues secured the Third Prize in Technical Treasure Hunt Competition organized under Oscillations 2022.

Congratulations!

IETE-DBIT-ISF was one of the ISFs that were selected as the BEST ISFs by the IETE Mumbai Centre for the academic year 2021-22. The IETE DBIT Student Chapter Coordinator Mrs. Poonam Chakraborty received the award during the IETE Oscillations Valedictory Ceremony on 16 April 2022.

SYMPOSIUM ATTENDED BY FACULTY MEMBERS

Mrs. Pratibha Dumane and Mrs. Gejo George attended Online National Industry Institute Symposium on “Enhancing Employability of Engineering Graduates through Implementation of NEP-2020” organized by the Training & Placement Cell of Thakur College of Engineering and Technology, Mumbai on 10 July 2021.

FACULTY DEVELOPMENT PROGRAMS

1. Ms. Madhavi S. Pednekar attended the ISTE approved one week online FDP on “Sensor Technology” during 5-10 July 2021 organized by the Department of Electronics and Telecommunication Engineering, Xavier Institute of Engineering, Mahim, Mumbai.
2. Mrs. Gejo George attended a one week FDP on “Incorporating Universal Human Values in Education (an AICTE initiative)” from 26-30 July 2021.
3. Mrs. Pratibha Dumane attended a six days online FDP on “AI & Data Science - The Future of Tomorrow” organized by Dept. of Computer Engineering, Rajiv Gandhi Institute of Technology, Mumbai from 29-31 July 2021 and 5-7 August 2021.
4. Mrs. Pratibha Dumane attended a five day FDP on “Incorporating Universal Human Values in Education” organized by All India Council for Technical Education (AICTE) from 16-20 August 2021.
5. The department faculty participated in a session conducted by Dr. S. Krishnamoorthy on “Integrated Project Based Learning” on 02 December 2021.
6. The department faculty members attended a one day FDP on “Working Harmoniously for Institution Building” conducted by Rev. Fr. Godfrey D’Sa, Founder-Director, Prafulta, Centre for Psychological Wellness on 26 March 2022 at DBIT.
7. Mrs. Namita Agarwal attended a one week FDP on “Incorporating Universal Human Values in Education” a joint initiative of UGC-AICTE from 06-10 June 2022.

SHORT TERM TRAINING PROGRAMMES AND WORKSHOPS ATTENDED BY FACULTY MEMBERS

1. Mrs. Namita Agarwal attended an AICTE sponsored one week online STTP on “Natural Language Processing with Google AI and Dialog Flow and its Application” organized by Usha Mittal Institute of Technology, Mumbai, from 21-26 June 2021.
2. Mrs. Aparna Telgote and Mrs. Poonam Chakraborty attended

AICTE sponsored one week online STTP on “Telecommunication Networks - Phase II” organized by Vidyalankar Institute of Technology, Mumbai, from 5-10 July 2021.
