

Latex Training Report

The technical committee has arranged for Latex Workshop and the resource person is Dr. Satish Chavan of EXTC Dept. The schedule for various department training were actually planned on 3/09/2019 for EXTC, computer Department on 09/09/2019 .

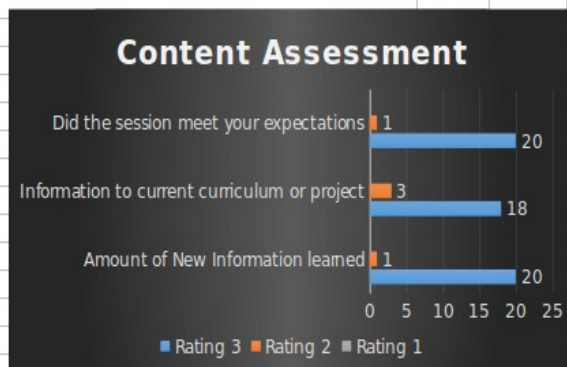

The objective is to conduct the training for BE students of all branches , to train them on "Latex: report writing tool" for creating reports, by making atleast one student per group to attend the training .

So from EXTC dept. ,about 15 students and from Comps., about 25 students have participated . The feedback analysis that was collected from the students are displayed below
