

Report on IPR and Patenting

Date-24/03/2018

Venue-Seminar Hall 3rd floor B wing

Audience-Teaching and Non-Teaching faculties of DBIT

Speaker - Mr. Suneet Sabale -Founder & CEO of Brainiac IP Solutions

A seminar on “Intellectual Property Rights & Patents” was held on 24th March 2018 in the Seminar Hall 3rd floor DBIT.

In the inaugural session, Dr. Ameya Tripathi Programme co-ordinator delivered the welcome speech. The College Principal, Dr. Prasanna Nambiar presided over the function. In the presidential address she gave a brief introduction about the seminar. The seminar aimed to create first level IPR awareness among the teachers about the beneficial aspects of patenting their creative and novel ideas, inventions etc... Such awareness would in turn be highly essential for the promotion of creativity, research and technical advancements as well as application into market

REVIEW OF THEMATIC SESSIONS-

The technical session I started at 9.45 am and it was on the topic “Overview of Intellectual Property Rights and Patenting and was handled by Mr. Suneet Sabale ,Founder & CEO of Brainiac IP Solutions. He explained about nature of IPR, major IPR, IP Law of India copy right, patent etc. The class was very interesting and created first hand knowledge about IPR to all teaching and non-teaching faculties.
